The Record Date, Reinvest Date, Ex Date and Pay Date reflected on September 30 Year-End estimate are subject to change.

The December distributions for funds with a November fiscal year end will include gains realized through November 30. The "Estimated Year End" capital gains do not include all gains and losses realized in November, so the Final Year End Distribution will be adjusted for certain gains and losses realized during the month of November.

Only capital gains are estimated. Income is not estimated.
