The Fidelity International High Dividend Index is constructed using Fidelity's rules-based proprietary index methodology.

The index's holdings report provides information on an index's investments as of the date indicated. It is not possible to invest directly in an index. All indices represented are unmanaged.

Please note: Total allocation percentages may not equal 100% due to rounding.

Third party trademarks and service marks are the property of their respective owners. All other trademarks and service marks are the property of FMR LLC or an affiliate.
